Corrigendum

The authors and the Journal apologize for an error in the paper by Law et al. which appeared in the January issue of the Journal of Endocrinology (128, 21–26) entitled ‘Parathyroid hormone-related protein in milk and its correlation with bovine milk calcium’.

In the section ‘Radioimmunoassay (RIA)’ under Materials and Methods lines 12 to 14 on page 22 should read ‘However this antibody did not cross-react with PTH(1–34) (Martin et al. 1989).’
