Endocrinology, Diabetes & Metabolism Case Reports is an exciting new open access resource which will publish and link together case reports in endocrinology, diabetes and metabolism.

"Our vision is to offer sophisticated search and browse functionality, with each case report outlining key messages, enabling practitioners to communicate findings, share knowledge and convey medical experiences efficiently and effectively."

Dr Maralyn Druce, Editor-in-Chief

First year offer
Accepted authors will benefit from a half-price publication fee of £125.

Members of endorsing societies, including the Society for Endocrinology, will enjoy a special publication fee of just £100.
