CONTENTS

VOLUME 219 NUMBER 3

RESEARCH

Hyperthyroid monkeys: a nonhuman primate model of experimental Graves’ disease
Y Wang, L P Wu, J Fu, H J Lu, X Y Guan, L Xu, P Chen, C Q Gao, P Hou, M J Ji & B Y Shi
183–193

Chronic inflammation exacerbates glucose metabolism disorders in C57BL/6J mice fed with high-fat diet
Yu Wu, Tingting Wu, Jun Wu, Lei Zhao, Qing Li, Zac Varghese, John F Moorhead, Stephen H Powis, Yaxi Chen & Xiong Z Ruan
195–204

Early weaning PCB 95 exposure alters the neonatal endocrine system: thyroid adipokine dysfunction
R G Ahmed
205–215

Corticosteroid-binding globulin contributes to the neuroendocrine phenotype of mice selected for extremes in stress reactivity
Gabriele E Mattos, Jan-Michael Heinzmann, Stefanie Norkowski, Jean-Christophe Helbling, Amandine M Meni, Marie-Pierre Miosan & Chadi Touma
217–229

β-cell adaptation in a mouse model of glucocorticoid-induced metabolic syndrome
Liselotte Fransson, Stephanie Franzén, Victoria Rosengren, Petra Wolbert, Åke Sjöholm & Henrik Ortsäter
231–241

Effect of phytoestrogens on basal and GnRH-induced gonadotropin secretion
Sergio A Arispe, Betty Adams & Thomas E Adams
243–250

Covariation between behaviour and physiology indicators of coping style in zebrafish (Danio rerio)
Christian Tudosache, Marcel J M Schaaf & Hans Slabbeekorn
251–258

Developmental androgen excess disrupts reproduction and energy homeostasis in adult male mice
Kazunari Nohara, Suhuan Liu, Matthew S Meyers, Aurélie Waget, Mathieu Perron, Gérard Karsenty, Rémy Burcelin & Franck Mauvais-Jarvis
259–268

Estrogens downregulate urocortin 2 expression in rat uterus
Kenichiro Watanabe, Takahiro Nemoto, Shigeo Akira, Toshiyuki Takeshita & Tamotsu Shibasaki
269–278

ChemR23 knockout mice display mild obesity but no deficit in adipocyte differentiation
Laure Rouger, G Raphael Denis, Souaphone Luangsay & Marc Parmentier
279–289
The Society for Endocrinology is one of the world’s leading authorities on hormones.

Established in 1946, the Society’s aims are to support the advancement of scientific and clinical knowledge and increase research in endocrinology for the public benefit. It also plays a vital role in promoting and supporting endocrinology worldwide.

The Society for Endocrinology offers a range of journals including *Journal of Endocrinology*, *Journal of Molecular Endocrinology*, *Endocrine-Related Cancer*, *Endocrine Connections* (open access) and *Clinical Endocrinology*.

For more information visit [www.endocrinology.org](http://www.endocrinology.org)

Crosstalk between adipose tissue and blood vessels is critical for both metabolic and vascular homeostasis. The inguinal mammary fat pad was stained with BODIPY (red) to detect lipid and CD31 (green) to visualize endothelial cells. Magnification 200x.

Credit: Lisa M Arendt, Tufts University, Boston, MA, USA

**THIS ISSUE’S COVER**

Crosstalk between adipose tissue and blood vessels is critical for both metabolic and vascular homeostasis. The inguinal mammary fat pad was stained with BODIPY (red) to detect lipid and CD31 (green) to visualize endothelial cells. Magnification 200x.

**COVER ART COMPETITION**

Readers are invited to submit their endocrinology images for entry into the *Journal of Endocrinology* cover art competition. Winners will be selected by the Editor-in-Chief and will have their imagery featured on the cover of an issue of *Journal of Endocrinology*, both in print and online. Winners will be cited in the journal and will receive a professionally printed copy of the journal cover featuring their scientific image.

To enter the competition please email your images to joe@endocrinology.org accompanied with a short caption of 25-30 words explaining what the image depicts, its magnification and who should be acknowledged for its production. Images should be of high quality and resolution of at least 300 dpi at the final published size 220 mm (W) × 100 mm (H).

By submitting an image you warrant that you own the copyright and agree that images may be used in promotional material. Images not selected for use may still be used by the Society for Endocrinology and Bioscientifica for promotional purposes.
Frequency of publication

*Journal of Endocrinology* is published monthly online and in print. There are four volumes per year and three issues form a volume.

Abstracting and Indexing

Indexed/abstracted in: CAB abstracts, Chemical Abstracts, Current Content/Life Sciences, EMBASE/Excerpta Medica, Index Medicus/MEDLINE, Pascal/INIST/CNRS, Science Citation Index, Science Citation Index Expanded, Scopus.

Editorial address and submissions

The journal accepts online submissions only. Guidelines for this can be found via [http://joe.endocrinology-journals.org](http://joe.endocrinology-journals.org). Editorial correspondence should be addressed to Editor-in-Chief, *Journal of Endocrinology*, Email: joe@bioscientifica.com. Instructions to authors appear online.

All orders, accompanied by payment, should be sent direct to our distribution agent, *Journal of Endocrinology*, Portland Press, PO Box 32, Commerce Way, Whitehall Industrial Estate, Colchester CO2 8HP, UK (Email: sales@portlandpress.com).

Claims and communication

All communications or claims regarding issues lost or damaged in transit should be addressed to the distributor (see above for address). No claims can be entertained if they are later than 3 months after the date of despatch.

USA Postmaster

Send address corrections to *Journal of Endocrinology*, Air Business Ltd, c/o Worldnet Shipping Inc., 156-15, 146th Avenue, 2nd Floor, Jamaica, NY 11434, USA. All despatches outside the UK are sent by air-speeded service.

Advertisements

Advertising enquiries should be sent to: advertising@endocrinology.org. Copy is required 6 weeks before publication date. Rates are available online.

Disclaimer

The papers contained in each issue of the journal have been prepared and written by named authors. Accordingly, neither the Society for Endocrinology, Bioscientifica Ltd nor their officers, employees or agents are responsible for the accuracy or otherwise of any papers and shall have no liability for any claims, damages or losses however arising from the contents of any papers or any use to which they may be put by any person.
