JOURNAL OF ENDOCRINOLOGY

It is hoped to publish the following papers in a forthcoming issue of the Journal:

COLOMBO, J. A. Ovarian activity in testosterone-sterilized female rats under continuous illumination.

HUMPHREY, K. W. The effects of oestradiol-3,17β on tubal transport in the laboratory mouse.

LITTRAP, R. M. & RAESIDE, J. I. Effect of corticotrophin and corticosteroids on plasma interstitial cell-stimulating hormone and urinary steroids in the boar.

Mori, K. F. Immunoassay of follicle-stimulating hormone in human urine and serum by quantitative complement fixation.

CEcil, HELEN E. & BITMAN, J. Effect of steroid hormones on oestrogen-induced uterine glycogen synthesis.

BEARDWELL, C. G., BURKE, C. W. & COPE, C. L. Urinary free cortisol measured by competitive protein binding.

CHAN, D. K. O., CHESTER JONES, I. & MOSLEY, W. Pituitary and adrenocortical factors in the control of the water and electrolyte composition of the freshwater European eel (Anguilla anguilla L.).

PIERREPOINT, C. G. The metabolism in vitro of dehydroepiandrosterone and dehydroepiandrosterone sulphate by Sertoli cell tumours of the testis of two dogs with clinical signs of hyperoestrogenism.

BALNAVE, D. The influence of gonadal hormones on the uptake of [14C]acetate by liver lipid fractions in the immature male chick.

HUMPHREY, K. W. & MARTIN, L. Attempted induction of deciduomata in mice with mast-cell, capillary permeability and tissue inflammatory factors.

PICKERING, B. T. A neurophysin from cod (Gadus morrhua) pituitary glands: isolation and properties.

Short communications

BOUCHER, B. J. The molecular weight of radioimmunoassayable growth hormone in human serum.

GILMORE, D. P., SRETT, NANCY E. & PURVES, H. D. Gonadotrophins in the pituitary of the male possum Trichosurus vulpecula during the seasonal breeding cycle.

NIR, I., MISHKINSKY, J., ESHCHAR, N. & SULMAN, F. G. Effect of pinealectomy on milk yield in rats.

DÖRNER, G. Hormonal induction and prevention of female homosexuality.
Forthcoming Papers

Idler, D. R. & Truscott, B. 1α-Hydroxycorticosterone and testosterone in body fluids of a cartilaginous fish (Raja radiata).
