JOURNAL OF ENDOCRINOLOGY

It is hoped to publish the following papers in a forthcoming issue of the Journal:

TIEFER, LEONEORE & JOHNSON, W. A. Female sexual behaviour in male golden hamsters.

BEALL, J. R. & WERTHESSEN, N. T. Lipid metabolism of the rat uterus after mating.

GRILLO, T. A. L., OGUANAIKE, P. O. & FAOYE, S. Effects of histological and electron microscopical fixatives on the insulin content of the rat pancreas.

CAVAGNINI, F. & PERACCHI, M. Effect of reserpine on growth hormone response to insulin hypoglycaemia and to arginine infusion in normal subjects and hyperthyroid patients.

CRAVER, E. B., TRAUM, R. E. & D'ANGELO, A. S. Chronic median eminence lesions and ovariectomy: effects on follicle-stimulating hormone secretion in the rat.

DYSON, MARY & JOSEPH, J. The effects of female sex hormones on tissue regeneration in the rabbit's ear.

FELDMAN, S., CONFORTI, N. & CHOWERS, I. The role of the medial forebrain bundle in mediating adrenocortical responses to neurogenic stimuli.

PLANT, T. M., JAMES, V. H. T. & MICHAELI, R. P. Conversion of [4-14C]progesterone to androsterone by female rhesus monkeys (Macaca mulatta).

WALES, N. A. M. & EBLING, F. J. The control of the apocrine glands of the rabbit by steroid hormones.

BÍLEK, J., MIKULÁŠ, I., SLABA, J. & ŠKÁLA, I. Bioassay of oxytocin by changes in light penetration through rat mammary gland tissue in vitro.

Short communications

THORBURN, G. D. & NICOL, D. H. Regression of the ovine corpus luteum after infusion of prostaglandin F2α into the ovarian artery and uterine vein.

VAUGHAN, MARY K., REITER, R. J. & VAUGHAN, G. M. Effect of delaying melatonin injections on the inhibition of compensatory ovarian hypertrophy in mice.

WRIGHT, N. A. A dexamethasone sensitive step in the cell cycle of adrenocortical cells.

CLARK, E. R. & MCCRACKEN, ANNA M. Investigation of aqueous Tween 80 as a vehicle for intravaginal administration.
Forthcoming papers

Collu, R. & Martini, L. Growth hormone release stimulated by extracts of stalk median eminence in adult male rats anaesthetized with urethane.

Seiki, K. & Hattori, M. More extensive study on the uptake of labelled progesterone by the hypothalamus and pituitary gland of rats.

Naftolin, F., Ryan, K. J. & Petro, Z. Aromatization of androstenedione by limbie system tissue from human foetuses.

Ingleton, P. M., Ensor, D. M. & Hancock, M. P. Identification of prolactin in foetal rat pituitary.
ANNOUNCEMENTS

The Royal Society: S. J. Folley Account

Mrs Mary Folley has offered a gift of £500 to the Royal Society. This gift, which she hopes to donate annually, has been gratefully accepted by the Council, and will be used to set up the ‘S. J. Folley Account’ for the purpose of furthering endocrinology. Council has in mind that the Account will be made available for assisting young endocrinologists, and in this way an appropriate memorial to the late Professor Folley will be perpetuated within the Society’s records and accounts.

IVth International Congress of Endocrinology

18–24 June 1972

Sheraton-Park Hotel, Washington, D.C., U.S.A.

Deadlines: Call for Abstracts 15 December 1971
Application for Travel Allowance 15 December 1971
Registration of Scientific Films and Exhibits 15 December 1971
Home Dinner Hospitality Program 15 March 1972
Pre-registration Deadline for All Others 17 April 1972
Hotel Registration 17 April 1972

Abstracts of short communications are invited which provide new data or are concerned with new concepts and principles in the field of endocrinology. Abstracts must be submitted in English with maximum length of 200 words. They are due by 15 December 1971 and must be accompanied by the registration fee of $50. The Scientific Program will include plenary sessions, symposia sessions and over 600 short communications. In addition, there will be special Technique Sessions and Workshops on Methods. Program Chairman: Professor Franz Gross, Department of Pharmacology, University of Heidelberg, 6900 Heidelberg, Germany.

Detailed information, abstract, registration and housing forms are available from your Society Secretary or:

Secretariat
IVth International Congress of Endocrinology
Suite 700, 1629 K Street, N.W.
Washington, D.C. 20006, U.S.A.
Tel: (202) 296–7471 Cable Address: CONGRENDO

Local Organizing Committee:

Chairman: Dr J. E. Rall
Secretary/Treasurer: Dr G. D. Aurbach
